

### **REVERSE ALERT<sup>™</sup> REGISTRATION**

All Summit County citizens with published telephone numbers listed in the white pages (business and residential lines) will receive Reverse Alert<sup>™</sup> emergency messages. Messages will also be dispatched to citizens who register their communication devices for this unique service.

The more personal lines of communication you register with Reverse Alert<sup>™</sup>, the more likely you are to receive an emergency message in a timely and efficient manner.

If there is a change to your personal contact information, simply access your Reverse Alert<sup>™</sup> profile and update your information.

All personal contact information registered in the Reverse Alert<sup>™</sup> system will be protected, kept strictly confidential and will only be used for emergency purposes.
